--EASY ON/EASY OFF PILLOW AND BLANKET COVER--

USSN 10/810,110  
Reply To Office Action Dated August 19, 2005  
Amendment C

**IN THE SPECIFICATION:**

Please make the following amendments to the specification:

Page 5, please replace the third paragraph starting "It is a further object" and ending with "appearance from all sides" with the following paragraph:

--It is a further object of the claimed invention to provide a method of making a pillow sham or duvet cover with improved access to the pocket within the cover while having an aesthetically pleasing appearance from all sides.--

Page 10, please replace the first paragraph with the following paragraph:

--The ~~claimed invention also provides a new method of making the pillow sham or duvet cover 10 as shown in Figures 4 and 5 with~~ is provided with an improved access to the pocket 50 within the cover 10 while having an aesthetically pleasing appearance from all sides. ~~The method comprises the steps of-~~ This pillow sham can be made by cutting a front panel 20 of a particular desired size and shape to cover a bedding article 1. A back panel 30 is cut larger than the front panel 20 to provide a pocket 50 for the bedding article 1 between the front panel 20 and back panel 30. A multisided access flap 40 is cut within the back panel 30 to provide access to the pocket 50 as shown in Figure 4. The cutting of the access flap 40 makes a corresponding hiding flap 150 adjacent the access flap 40.--
